FAQ'S

1. How do I get started?

Applications and information for Outdoor Entertainment Activities Permits and One-Day, One Site Alcoholic Beverage Licenses Permit/Approval Letters for Stanislaus County can be obtained on the **Stanislaus County Sheriff's Department** Web Site:

<https://scsdonline.com/>

Click Department Forms, then Records Division, then select and download the form(s)/application(s) you will be needing. As a convenience, certain forms have been made fillable and may be typed then printed.

Applications may also be picked up in person at the Stanislaus County Sheriff's Department located at 250 E. Hackett Road in Modesto, California between the hours of 8:00 am and 5:00 pm, Monday-Friday (excluding holidays).

*Please make sure the contact number(s) listed on the application(s) is a working number and has been set up to receive voice mail.

2. How long does it take to get an Outdoor Entertainment Activities and/or One-Day Alcoholic Beverage Application processed?

Because applications vary in complexity, (i.e., location of event, attendance number anticipated, whether it will be open to the public, whether alcohol will be served, etc.) and are processed in the order received, it is difficult to know exactly when your application(s) will finalize, however, unless there are unforeseeable delay(s), all applications are completed within the fourteen (14) business days **prior** to event date submittal time frame required.

Please note, after the Permit/Approval Letter is obtained from the Stanislaus County Sheriff's Department, the California Department of Alcohol Beverage Control (ABC) currently requires no less than **ten (10) days prior to the event date** to complete their portion of this process.

(Please visit the ABC web site for additional information, requirements and updates).

Although subject to change, as of the date of this document the web site, address and contact number for the California Department of Alcoholic Beverage Control is:

<https://www.abc.ca.gov/>

Address: 31 Channel St # 168
Stockton, CA 95202

Phone: (209) 948-7739

*Please make sure the event date allows enough time to meet the time requirement(s) for each individual department involved and that the contact number(s) listed on the application(s) is a working number and has been set up to receive voice mail.

3. Do I have to pick up my Permit/Approval Letter in person or will it be mailed to me?

Yes. It is not the Stanislaus County Sheriff’s Departments policy to mail Permit/Approval Letters because they are originals and time sensitive.

You will need to pick up your Permit/Approval Letter in person and you may be asked to show your ID.

Under certain extenuating circumstances authorization may be granted which would allow original document(s) to be mailed, however, if mailed, the Stanislaus County Sheriff’s Department assumes no responsibility if said original is lost, stolen, damaged, delayed in transit and/or expires.

4. Can I have someone else pick up the Permit/Approval Letter?

Yes. Someone else may pick up the Permit/Approval Letter(s) other than the named applicant, however, arrangements will need to be made and the person picking up the document may need to show ID.

5. What happens after I have submitted a complete application?

Once a complete One-Day Alcoholic Beverage License and/or an Outdoor Entertainment Activities Application and/or a combination of the two has been received it is sent to different County Departments (and individuals within those departments) called the **Permit Group** for their portion of the process, review, approval and/or denial comments.

Parks Department: 209-525-6750	Public Works Department: 209-525-4130	Planning Department: 209-525-6330	Environmental Resources: 209-525-6700	Tax Collector: 209-525-6388
--------------------------------------	---	---	---	-----------------------------------

Each department will provide comment(s) for the Stanislaus County Sheriff’s Watch Commander. If no comment(s) are provided, individual departments within the Permit Group understand that their comment(s) are forfeit and that the Stanislaus County Sheriff’s Department will proceed under presumption that all their requirement(s) have been met.

The Stanislaus County Sheriff’s Watch Commander makes the final decision on whether to approve or deny the application based on relevant law enforcement data collected through the Stanislaus County Sheriff’s Departments portion of the process and the comments provided by the different departments in the Permit Group.

If approved, a **Permit/Approval Letter** is generated for issuance and signature. Once signed by the Watch Commander it is made available to be picked up.

The applicant named on the application will be notified when the original document(s) are available to be picked up.

The Stanislaus County Records Division is open Monday-Friday from 8:00 am to 5:00 pm (excluding holidays).

If denied, the named applicant will be notified of the denial.

*Please make sure the contact number listed on the application is a working number and has been set up to receive voice mail.

6. When do I need to turn in my One-Day, One Cite Alcohol Beverage License Permit/Approval Letter and/or Outdoor Entertainment Activities Application(s)?

It depends on the date of the event.

The Stanislaus County Sheriff’s Department One-Day Alcoholic Beverage License and Outdoor Entertainment Activities application(s) need to be received no later than **fourteen (14) business days prior to the event date** to allow time for processing, review, approval and/or denial, and for the Permit/Approval Letter to be generated for issuance, signed off and made available to be picked up.

This Permit/Approval Letter is required by the California Department of Alcohol Beverage Control (ABC) before an applicant can obtain the actual Alcohol License which is issued by their agency.

After the original Permit/Approval Letter is obtained, ABC currently requires no less than **ten (10) days prior to the event date** to complete their portion of this process.
(Please visit the ABC web site for additional information and requirements by their department).

Although subject to change, as of the date of this document the web site, address and contact number for the California Department of Alcoholic Beverage Control (ABC) is:

*Please make sure the event date allows enough time to meet the time requirement(s) for each individual department involved.

The Stanislaus County Code, Title 6 Business Licenses and Regulations, Chapter 6.40 Outdoor Entertainment Activities in unincorporated areas, 6.40.050 defines it as:

“Outdoor Entertainment Activity” means any musical, theatrical, or other entertainment activity to which members of the public are invited or admitted and which is held at any place other than a facility for which a valid use permit has been issued which authorizes the activity to take place at said location. 15. What can I do to speed up the process?

There is no method that can "speed up the process" per se, but to avoid unnecessary delay(s) and/or acceptance and/or denial of your application (**prior** to submission) review the application to ensure it is **legible, completed in its entirety, no blank information fields** have been left and that all **required documentation has been attached.**

N/A is not an acceptable answer. Be sure to list the reason you believe the information would not be required.

Do not use P.O. Boxes for addresses. If you have a P.O. Box you want to use as a mailing address you may indicate such on a separate piece of paper, attach it to the application along with your request that it be used for mailing purposes.

Make sure **contact phone number(s) can receive voice messages.**

Use the instructions listed in the bottom left hand side of the application stating, "**ATTACH THE FOLLOWING ITEMS**" as a **check list to** assist you in making sure no required attachment(s) are missing.

See example and highlighted explanations below:
